

PERSONAL WEBSITE

Personal Website

- Personal Webpages are a great way to showcase your portfolio or blog!
- Let's discuss some options

Blog Platforms

- www.medium.com
- www.wordpress.com
- www.blogger.com

Website Creation

If you plan on applying for web development or UI positions, then you should definitely be building your site from scratch (HTML, CSS, JavaScript, etc...)

Website Creation Services

- Weebly
- Wix
- SquareSpace

- Many options, google around for more!
- Many provide free versions!

Domain

- ❑ NameCheap
- ❑ Google Domains

Personal Website

- ❑ Make sure to keep it updated during your job search!
- ❑ Not as necessary as a LinkedIn, but can definitely improve your standings among other candidates!
